Isle of Man Swimming Team Selection Statement

Selection nominations for the Commonwealth Games 2018 ('the Games') will be made from performances by eligible swimmers who satisfy the criteria set by Article 86 of the Articles of Association of the Commonwealth Games Association of the Isle of Man.

Performances for nomination may be achieved in long course or short course events and to be considered must be at times equal to or faster than the consideration times for that course listed below. Should a time be achieved short course then the swimmer must also have achieved the long course minimum standard for that event for the short course time to be considered.

In addition to achievement of a time, a swimmer must satisfy the selection committee as regards their attitude and commitment to training; experience and ability to compete at National/International level events; ability to consistently perform at the required level; and commitment to the Games Team participation.

The qualification period, during which performances may be achieved, commences on October 1st 2015 and continues until November 30th 2017. In considering nominations greater weighting will normally be given to times achieved in 2017 than 2016.

Swimmers are responsible for ensuring that the Isle of Man Swimming Association is aware/advised of a performance where a consideration time is achieved. Full details must be provided including the date, meet, course, event & time (including splits) and a copy of the results for the event should be attached.

A performance or performances at a time equal to or faster than the consideration times; or a performance at a time equal to or faster than a consideration time of another competitor is no guarantee of nomination for selection to the Isle of Man Team.

The Selection Committee of Isle of Man Swimming Association will consider the performances and make a recommendation on nominations to the Executive Committee of Isle of Man Swimming Association. The nominations once ratified by the Executive Committee will be submitted to the Commonwealth Games Association of the Isle of Man ('CGA IOM') for team selection consideration. The decision of CGA IOM is final.

Selected swimmers may be offered the opportunity to compete in additional events including relays at the discretion of the Swimming National Coach/Team Manager and will be expected to participate if so selected.

For assistance or guidance on the above please refer to the National Coach or Isle of Man Swimming Association's representatives on the Commonwealth Games Association, Leonie Cooil or Rosemary Kinley.
